REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M.-5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

REPORT ON THE PROPOSED SEWERAGE FACILITIES

Under the Legislative Act, passed 1967, the Town is under the order to eliminate the pollution caused by the discharge of raw sewage into the Winnepesaukee River. As the first step the Town had, together with the Town of Tilton, a preliminary "Report on Main Interceptors, Sewer Extensions, Sewage Treatment Plant and Appurtenant Works for the Towns of Tilton and Northfield, New Hampshire (Tilton-Northfield Sanitary District)", worked out which was submitted in November 1967 and is presently being processed by the Water Supply and Pollution Control Commission and the Federal Government. According to the study, there will be a main interceptor starting off Granite Street and running basically along the Valley floor, which will intercept all existing sewer outfalls. It is proposed to build the sewage treatment facilities jointly with the Town of Tilton on the low land in Northfield, between the railroad and the river, on the land presently owned by the Public Service Company of New Hampshire.

It is expected that, under State orders, construction will have to start in 1970. The next step will be the working out of construction drawings and specifications to be ready for bidding.

The amount needed for this engineering work will be advanced as an interest-free loan by the Federal Government. The respective article authorizing the Selectmen to apply for this loan, is included in the Town warrant. The processing of this application will take about one year. The working out of the construction drawings will take another year, so that the Town will be approximately ready for construction in 1970.

TILTON-NORTHFIELD CIVIL DEFENSE

The Selectmen, Tilton and Northfield

Gentlemen:

As your Civil Defense Director I have to report that activities during this past year have been confined for the most part to individual projects.

The Communications Division has been most active and has established a new and more efficient transmitting and receiving station at the Soldiers Home. It should be stated that we are indeed fortunate to have in the event of an emergency such a highly qualified and dedicated group of "radio hams" under the guidance and control of our CD Communication Officer, Mr. Sleeper.

We have regularly exercised with the statewide Civil Defense warning information fanout system and can report a reasonable level of efficiency in this communications medium.

In four separate locations in the Tilton-Northfield area are located complete sets of radiological monitoring instruments which are checked and recalibrated annually.

I would be delinquent in my obligations if I failed to mention in this report the grave responsibility of the citizens of this community in providing the necessary funds to build an Emergency Operations Centre. As I have stated in previous years, without such an emergency shelter facility there can be no essential service personnel such as firemen, police or civil defense available in our community following a nuclear attack against the northeastern part of this country. Money in this case, and I would estimate our share to be about \$3,000, is of course a consideration. However, responsibilities and common sense cannot and should not be ignored for the sake of

so relatively small a financial sacrifice. It is therefore my urgent plea that further consideration be given without further delay to raising the necessary funds to construct such an essential facility.

In conclusion, other than the funds for such an emergency operations shelter, I feel again that a modest sum sufficient to support the continued existence of a CD structure in our community will be adequate.

Respectfully submitted,

JOHN F. CLARIDGE

CD Director

TILTON-NORTHFIELD RECREATION COUNCIL

1967 Annual Report

The T-N Recreation Council celebrated its twelfth year of operation in 1967. We still operate on a part-time basis, offering programs which are equivalent to some full time recreation departments.

The T-N Recreation group won an indoor activities contest for the third time in a row, in competition with the Franklin Recreation Dept. The events involved various games and athletic contests.

The first New Hampshire State Recreation Parade was held in Franklin this year. The T-N Recreation Council, Director and Teen Council were represented.

The Babe Ruth ball team were champions for the 4th year in the Twin River League. Some of the boys also played in the State Tournament.

The swimming program was again scheduled for two 4 week periods, with a week between for registrations and make-up tests. The swimming instructions included sessions for beginners, advanced beginners, intermediates, swimmers and both junior and senior lifesavers. Certificates were awarded to the pupils who completed all the requirements for a particular level. Those pupils who did not receive certificates did receive cards, indicating the areas which needed emphasized practice. A water carnival was held at the close of the last session.

A Playground program was held during the month of August. Several requests by taxpayers stimulated the council to organize the program and necessitated a fund-raising project. Through the efforts of the council and private individuals, sufficient funds were raised to offer an athletic 4 week program.

Also, a bus trip to a Red Sox game was organized. Two buses were financed by subscriptions from local companies and organizations. The event was a real success and hopefully will become an annual one. This was the first professional baseball game attended by many of the youngsters.

This fall a basketball team was formulated from non-varsity players from grades 8-12. The center was opened from 6 PM to 9 PM, four nights a week. On Mondays and Wednesdays from 6PM to 7:30PM for junior grades and 7:30 to 9PM for the senior boys, with Tuesdays and Fridays for the girls in corresponding grades.

An adult program was also initiated. Senior citizens (50 yrs.) would meet as follows; men 10AM to noon on Tuesdays and Thursdays with ladies on same days 1PM to 3PM. An athletic program for women at T-N High School on Monday nights, 8-9:30PM and a men's recreation night on Wednesdays 9-11PM were also tried. After several weeks, little or no response resulted in postponement of the adult sessions. We firmly believe that some local recreation for adults is required, in addition to young peoples' activities, and hope to have some adult activities in the future.

The Teen Council enjoyed another fruitful year. Through their efforts, assisted by the Director and Advisors they accomplished as follows:

1. presented a 16 mm. sound movie projector and screen to the Recreation Council
2. donated a scholarship to a senior member
3. donated funds to; a banquet for the swimming instructors, the playground program, the Tilton 49ers' uniforms, the "International Experiment in Living," the Red Sox baseball trip, basketball dinner for TNHS

4. held a Halloween party for the younger children in town
5. helped the less fortunate townfolk at Christmas time in Tilton, Northfield, Sanbornton, Lochmere, Canterbury and Belmont, including a burnt out family in Bristol. This Christmas project has grown each year with townspeople and merchants donating clothing and toys, which are collected, repaired if necessary, and with the help of the District Nurses, distributed at the center.
6. offer movies at the center, every other Saturday afternoon (1:30-3:30PM) at 50c per child. The films are rented and returned by mail for an average cost of \$25.00, henceforth the donation charges per child.
7. held record hops at the TNHS and contest at the center on Saturday nights for grades 7-9.

The Teen Council is a separate entity of the recreation program. It is one way of helping teenagers to organize themselves into a responsible civic minded body, to teach good citizenship by their efforts, applied to various projects.

The Snowmobile event held in January of 1967 netted over \$300 which was added to the building fund. A tract of land was purchased by the council adjacent to West Main Street and Park Road in Tilton, across the street from the Tilton-Northfield High School. A project to develop the property for recreational facilities will be underway in the future.

We would like to take this opportunity to thank the various industries, merchants, clubs, taxpayers, town departments, professional people, school representatives and all other individuals who have helped to enable the

Recreation Council and its Director to maintain a recreational program.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year for January 1 to December 31, 1967

During this period the nurse has made 2234 calls and 346 patients were cared for.

These were divided as follows:

	Home calls	Office calls
Therapeutic nursing	1551	188
Health and Welfare Service		
Pre-school	26	30
School	7	10
Adults	54	370

Five immunization clinics were held one morning each month beginning in February through June. 74 children were given measles vaccine.

37 series of toxoid and 34 boosters of toxoid were given. 16 children received oral polio and 6 children were vaccinated with small pox vaccine.

Assisting at these clinics were Mrs. Virginia Knowlton, State Health Nurse, Mrs. Frances Crawford R.N., Mrs. Ramona Hill R.N., Mrs. Thalia Coulter R.N., Mrs. Marjorie Robert, Mrs. Mary Dwinal, Mrs. Alice Perkins, and Mrs. Nan Smart.

Dr. G. Vincent Ryan was the attending physician at our clinics.

Grateful appreciation is extended to the American Legion for allowing us each year to hold our clinics in their hall.

During the Thanksgiving and Christmas holiday many deserving families and their children were remembered with food, clothing, and toys. Provided for so generously by The Elks and Emblem Clubs, Rotary Club, American Legion and Auxiliary, St. Anne's So-

ciety, The Congregational Sunday School, Individuals and the Recreation Department.

The State Health Department reported to this office that 919 chest x-rays were taken while the mobile chest x-ray machine was in the Tilton-Northfield area in August.

Mrs. Thalia Coulter served as relief nurse for four months during the year.

At this time it is my opportunity and pleasure to sincerely thank the nursing association and all individuals or organizations who are so helpful and cooperative in assisting me to carry out the work of The District Nurse for The Tilton-Northfield area.

Respectfully submitted,

VIRGINIA R. SNOW, R.N.

SCHOOL BUDGET & WARRANT

A School District Meeting to vote on the annexation of Canterbury to the Winnisquam Regional School District is scheduled for March 6, 1968.

A decision on this annexation must be made before a budget and warrant can be drawn. Therefore, there is not enough time for the printer to have the budget and warrant in this report as they must be available for Town Meetings which will be held on March 12.

The school budget and warrant will be published in the newspapers serving the district prior to the School District Meeting in April and will also be available at the meeting.

REPORT OF THE WINNISQUAM REGIONAL SCHOOL BOARD AND THE SUPERINTENDENT

In our report of last year reference was made to the requests from the Belmont and Canterbury School Districts asking for a study of the feasibility of annexing these school districts to the Winnisquam Regional School District.

Following many meetings to study this question it was decided that it would not be feasible at this time due to the excessive costs to consider the annexation of the Belmont School District. The study continued with Canterbury and progressed to a plan that is to be offered to the voters of the Winnisquam Regional and Canterbury School Districts for their decision.

The integration of the Sanbornton and Tilton-Northfield School Districts has been proceeding well this past year and in two more years all the subjects will be completely integrated so that all children in our school system will have the same background of work as they proceed through school.

Nearly one-half of the elementary teachers in the Winnisquam District took the course in Team Teaching and Individualizing of Instruction which was offered by Plymouth State College last fall. The willingness on the part of an experienced staff to challenge their educational beliefs demonstrates a high degree of teacher morale. Several members of the staff have visited a team teaching school in Lexington, Massachusetts.

After several spring workshops and teacher study, the Lippincott reading system has been adopted by grade one this year. The integrated phonics system has been in use at the Central School for three years. It is now in use in grades five and six at the Union School. It is planned to add one grade a year to the new system.

New textbooks are still being purchased in Mathematics, Science and Language Arts as well as Spelling. This program of study and textbook replacement is important in providing our children with the tools for learning in our fast changing world.

Our comprehensive testing program includes intelligence and achievement tests by which to check the progress of our children. Special programs in safety and health are provided by the Green Pennant Program for student traffic safety and the Proctor and Gamble dental hygiene program carried on by your school nurse and teachers.

Federal funds are being used to continue the Developmental Reading Program in the elementary schools and for the purchase of library books and films.

Many of the recommendations of the Elementary Evaluation of 1966 have been carried out by the staff. Improvements have been made in reading, mathematics, audio-visual materials and equipment, special class and administrative organization.

The evaluation of Tilton-Northfield High School was completed in May of 1967. A very comprehensive report has been made to the School Board and school personnel for their guidance. We believe with the implementation of the recommendations over a period of time that we can improve our school system.

The major renovations and improvements to our schools this past year include:

Painting two stairways, the locker room, and exterior doors at the Junior-Senior High School.

Painting of five classrooms at the Channing Sanborn School.

Painting of two classrooms at the Sanbornton Central School.

Major repairs to steps at the Junior-Senior High School and at Sanbornton Central School.

The sidewalk-delivery entrance at the Sanbornton School was enlarged.

The interior brick was painted in several rooms at the Union School.

A reading room was made available at the Union School.

A new stainless steel sink was installed at the Sanbornton School for use by the hot lunch program.

In addition to the above many other items of maintenance were done by the custodians and service repairmen.

We wish to express our deep appreciation to the following:

1. The Journal-Transcript for its excellent program of raising funds for the Franklin and Tilton-Northfield Scholarships and for its outstanding news coverage of the local schools.
2. The Tilton Women's Club of Tilton-Northfield for funds for the annual Dental Clinic.
3. The Benevolent Order of Elks for its annual scholarship for pupils in this area.
4. The Anna M. Hussey Memorial Committee for its scholarship award to future teachers.
5. The Pucci Family for the Alfred H. Pucci Memorial Fund.
6. The Tilton Rotary Club for its annual scholarships to three graduates and for sending pupils annually to the United Nations Model Assembly.
7. The American Legion Whiteman Post No. 49 for

the scholastic award and its sponsoring pupils to Boys State.

8. The American Legion Auxiliary for sending girls to Girls State.
9. The Tilton Holy Name Society for prizes in home-making and shop.
10. The Daughters of the American Revolution for its award.
11. The Grevior Improvement Award, the Women's Club Achievement Award, the Channing T. Sanborn Music Award, the Barbara Walles Award, the Arch Scholarship Award, the Future Homemakers Award and the Emblem Award.
12. The Katherine M. Johnson Scholarship.
13. The Garden Club, Friends of the Library, the Library Trustees and all civic and professional organizations which have contributed special gifts or assistance.
14. Our Principals, Teachers, Treasurer, Office Workers, Custodians, Cafeteria Workers and Bus Operators for their excellent work.
15. The Selectmen of Tilton, Northfield and Sanborn-ton for their assistance in all school problems.
16. The Town Budget Committees for their excellent cooperation, advice and assistance.
17. The Sanbornton P.T.A. for their assistance and interest in the Winnisquam schools.

May we express our appreciation to the citizens of Tilton-Northfield and Sanbornton for their support of our school system.

RECORD OF MEETING OF WINNISQUAM REGIONAL SCHOOL DISTRICT

Pursuant to the warrant, the meeting was convened at the gymnasium of the Tilton-Northfield High School in the Town of Tilton in said District on the 28th day of March, 1967, at 7:00 o'clock in the afternoon.

Moderator Brackett Hill read the first three Articles of the Warrant. A motion by William Lawrence, seconded by Edward Gilbert, to act on Articles 1 through 3 and lay Articles 4 through 9 on the table was voted.

The polls were open and balloting continued until 8:00 o'clock. The polls were then closed for the discussion of the remaining Articles of the Warrant, after which the polls would be reopened for a short period of time.

The invocation was given by Father Paul Vaichunas.

Moderator Brackett Hill read Articles 4 through 9 of the Warrant.

The meeting proceeded to take up Article 4. It was moved by Nancy Roberts and seconded by Charles Dwinal that the salaries of the School Board and Truant Officer and the compensation of other officers or agents of the District for the 1967-68 school year shall be:

7 School Board Members @ \$150.00 each	\$1,050.00
District Clerk	10.00
District Treasurer	150.00
Moderator	10.00
Census Enumerators	350.00
Truant Officers	75.00

The motion was adopted.

The meeting proceeded to take up Article 5. It was moved by Richard Pucci and seconded by William Lawrence that the reports of Agents, Auditors, Committees

and Officers chosen, shall be accepted as printed in the Town Report. The motion was adopted.

Richard Pucci reported on the cooperative study committee meeting with Canterbury and Belmont. Canterbury and Belmont petitioned to be annexed with the Winnisquam Regional School District. The study will be completed by the end of the school year and a report given before the next District Meeting.

The Moderator reported that the committee to study the proposed Kindergarten was not appointed because he ruled the motion made at the last School District Meeting had been tabled. For information the Moderator reported that the approximate cost of the Kindergarten would be \$22,000.00.

The meeting proceeded to take up Article 6. It was moved by Robert Marshall and seconded by Richard Pucci that the district raise and appropriate \$250.00 to secure necessary services for studying the need for additional school house facilities. The motion was adopted.

The meeting proceeded to take up Article 7. It was moved by Stanley Skeats and seconded by Richard Pucci that the Municipal Accounting Division of the State Tax Commission audit the accounts of the Winnisquam Regional School District as of June 30, 1967. The motion was adopted.

It was moved by William Powers and seconded by William Lawrence that the Moderator appoint 2 citizens from Northfield, 2 from Tilton and 2 from Sanbornton to work with the School Board for the purpose of studying the need for additional school house facilities. The motion was adopted.

The meeting proceeded to take up Article 8. It was moved by William Joscelyn and seconded by Charles

Crawford that each item in Article 8 be taken up separately. Discussion ensued. It was moved by Walter Gibbs and seconded by Nancy Roberts that the previous motion be tabled. The vote was taken on the second motion and the Moderator declared the motion was lost. The vote was challenged. A standing vote was taken and resulted as follows: Yes — 30 No — 26. The Moderator declared the motion adopted and laid on the table. It was moved by Charles Dwinal and seconded by Stanley Skeats that the Winnisquam Regional School District vote to raise and appropriate the sum of seven hundred sixty-nine thousand seven hundred seventy dollars and sixty-eight cents (\$769,770.68) for the support of schools, for the salaries of school district officials and agents and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen of each of the towns of Tilton, Northfield and Sanbornton the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the three towns in accordance with the formula provided in the articles of agreement. William Lawrence, Chairman of the School Board, conducted the discussion of the proposed budget for 1967-68, taking up each item separately. After the discussion was completed it was moved by Walter Gibbs and seconded by John Dowie to amend Article 8 by reducing the proposed budget by \$20,000.00 so that the amount to be raised and appropriated would be seven hundred forty-nine thousand, seven hundred seventy dollars and sixty-eight cents (\$749,770.68). Discussion ensued. A standing vote was taken on the amendment and resulted as follows: Yes — 34 No — 33. The amendment was adopted. A standing vote was taken on the main motion as amended and resulted as follows: Yes — 42 No — 15.

The meeting proceeded to take up Article 9. It was moved by Walter Gibbs and seconded by Alfred Nicholson to change the name of the high school from Tilton-Northfield High School to Winnisquam Regional High School at no cost to the district and with no increase in the budget. After a discussion period it was moved by Sidney Noyes and seconded by Doris Thompson that the previously made motion be laid on the table. The motion was adopted.

It was moved by William Lawrence, and seconded by Walter Gibbs that the Winnisquam Regional District vote to authorize the School Board to lease real property of the School District not presently used for school purposes. The motion was adopted.

It was moved by Walter Gibbs and seconded by Alfred Nicholson that recognition and a vote of thanks be given to the American Legion for the use of their building for school purposes which include the School Band and school clinics.

At this time the balloting was resumed, and then the polls were closed at 11:10 P.M. The Moderator announced the results of the election as follows:

For School Board:

Tilton-Northfield:

From Tilton:	Gerald P. Boudreau	93 (1970)
	William W. Joscelyn	63

From Northfield:	Richard A. Pucci	130 (1970)
------------------	------------------	------------

For Moderator:

Robert Gray	2
Brackett Hill	83
Alexander MacGregor	5
Sidney Noyes	1
Charles Prescott	1
Richard Smart	1

The Moderator declared the following named persons elected to the School Board of Winnisquam Regional School District for the term ending in the year 1970.

Tilton-Northfield	Gerald P. Boudreau
	Richard A. Pucci

The Moderator declared Brackett Hill elected Moderator for the coming year.

It was voted to adjourn the meeting at 11:30 P.M.

Summary of Findings and Recommendations

September 13, 1967

The School Board
Winnisquam Regional School District
Franklin, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Winnisquam Regional School District for the fiscal year ended June 30, 1967, which was made by this Division as requested. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of July 1, 1966 and June 30, 1967, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$46,857.77 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$24,535.24, less a net overdraft of appropriations of \$18,940.96, resulted in a net budget surplus of \$5,594.28.

Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit F.

School Lunch Account: (Exhibit G)

Exhibit G presents a statement of the School lunch account for the fiscal year ended June 30, 1967.

Statement of School Tax Accounts: (Exhibit J)

A statement of the School Tax account with the Towns of Tilton, Northfield and Sanbornton, is presented in Exhibit J. As indicated therein, as of June 30, 1967, the School District had received from each town its proportionate share of the 1966-67 school tax.

Statement of Long Term Indebtedness: (Exhibit K)

A statement of the outstanding long term indebtedness of the District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit K.

GENERAL COMMENTS

Treasurer:

All manifests should be approved by the School Board before payments are made. R.S.A. 197:23-a)

Notes and Bonds:

It appears that the schedule of repayments of notes issued by the Sanbornton School District May 18, 1962, in the amount of \$30,000.00, does not conform with R.S.A. 33:2, which provides as follows:

“33:2 Repayment of Loans. Municipalities and counties shall not issue any bonds or notes payable on demand. They shall provide for the payment of all loans issued under authority of this chapter except notes issued under authority of section 7 hereof, in annual payments which shall be so arranged *that the amount of the annual payment of principal and interest in any year on account of any loan shall not be less than the amount of principal and interest payable in any subsequent year by more than two per cent of the principal of the entire loan.*

* * * * *

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$536.51 to \$5,594.28, during the fiscal year ended June 30, 1967, as shown herewith:

	July 1, 1966	June 30, 1967
Total Assets	\$2,200.40	\$8,482.17
Current Liabilities	1,663.89	2,887.89
	<hr/>	<hr/>
Current Surplus	\$536.51	\$5,594.28

Conclusion:

The provisions of Chapter 184, of the Laws of 1955,

require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Winnisquam Regional School District for their assistance during the course of the audit.

Yours very truly,
